INDIA'S INTERNATIONAL EXHIBITION, CONFERENCE, AWARDS & B2B NETWORKING ON HOSPITAL DESIGN INFRASTRUCTURE

WHAT MAKES HDIE EXPO SPECIAL?

Hospital Design Infrastructure Expo will deliver an international quality exhibition showcasing products, solutions and services across all areas of hospital investment, planning, designing, building, operating, managing and refurbishing.

The event will bring together thousands of senior and middle management professionals from healthcare industry both from India and Abroad. This will be a unique gateway to new business opportunities and partnerships across and complete spectrum of healthcare facilities in India – from Investments to Maintenance

Investments, expansions and improvement of healthcare facilities and services in India are booming with Government & Private Hospital Groups expanding. The market outlook is very promising with extensive investments being made in planning, building and refurbishing healthcare development in India.

WHY YOU SHOULD EXHIBIT?

- Connect with the top healthcare companies from India & Abroad
- Identify business opportunities with Indian & International suppliers, investors, contractors, architects & planners
- Consolidate your market presence in the Indian healthcare industry
- Gain competitive industry knowledge & update on market trends
- Source new suppliers, network & generate more business
- Familiarise with latest technologies & find solutions
- Spot new opportunities & network with global players
- Meet with CEOs, GMs, CFOs, Estate managers, Senior Government Healthcare officials and all key decision makers and influencers involved in major healthcare facilities throughout India

**INVESTORS. PLANNERS. BUILDERS. CONTRACTORS. ARCHITECTS. & DESIGNERS
MEET**

**SENIOR MANAGERS AND COMMISSIONERS OF HEALTHCARE FACILITIES IN
INDIA**
